

eScholarship Repository Author Agreement

I grant the Center for Bioinformatics & Molecular Biostatistics (hereafter called the “CBMB”) on behalf of The Regents of the University of California (hereafter called “The Regents”) the non-exclusive right to make content for the eScholarship Repository (hereafter called the “Work”) available in any format in perpetuity.

I warrant as follows:

- (a) that I have the full power and authority to make this agreement;
- (b) that the Work does not infringe any copyright, nor violate any proprietary rights, nor contain any libelous matter, nor invade the privacy of any person or third party; and
- (c) that no right in the Work has in any way been sold, mortgaged, or otherwise disposed of, and that the Work is free from all liens and claims.

I understand that once the Work is deposited in the repository, a full bibliographic citation to the Work will remain visible in perpetuity, even if the Work is updated or removed.
